Dear :

There are over 13,000 members of the Minnesota National Guard serving in our local communities across the great state of Minnesota. These Soldiers and Airmen are your neighbors, Teachers, Police Officers, Farmers, and Students prepared to jump into action, dropping everything and leaving their families to defend our nation and to protect and preserve peace and order when disaster strikes. Since 2001, more than 26,000 Minnesota National Guard Members have been deployed and served in more than 33 countries worldwide.

This year the Minnesota National Guard Enlisted Association and the National Guard Association of Minnesota are proud to be hosting our second annual golf fundraising event on Monday June 10th, 2019 at Emerald Greens Golf Club in Hastings Minnesota with a 1000 shot gun start and would like to cordially invite you to attend. We would also greatly appreciate your support by pledging your sponsorship on behalf of our 2nd Annual Minnesota National Guard tournament.

The Minnesota National Guard is part of a strong American tradition serving with valor and distinction in every conflict in our country's history since 1856. Our Association's purpose is to promote the security of the United States of America, and the State of Minnesota, through support for our Soldiers and Airmen. The Association's primary goals are as follows:

1. To ensure the continuation of benefits for our soldiers/airmen and their families.
2. To standardize our approach to training, ensuring that we maximize training opportunities that prepare us to deploy and defend the interests of the state and the nation.
3. To address future issues that could impact our state and federal mission on behalf of our men & women in the Minnesota Army and Air National Guard.

These goals have become ever more critical with the continued mobilization and deployment of our Soldiers and Airmen in support of the Global War on Terror. We deliver these priorities to Washington, our Governor and members of our congressional delegation.

The primary goal of this tournament is to raise funds, so the Minnesota National Guard can continue to be heard at both State and Federal levels. Your participation or sponsorship will help facilitate the time and dedication needed to improve awareness of issues surrounding medical and educational benefits for our military members and families, while improving our opportunity to secure resources needed to complete training and real-world missions from military bases throughout Minnesota.

We hope to see you and your golf team at the tournament for what is assured to be an exciting day of fun and prizes! Signup on our website at NGAMN.org.

Sincerely,

Lyle Rock
